Wouldn't it be fun to walk into a party and give guests a big scare with one of these unique ghost Halloween costumes?! Maybe it is only spring or summer and you need a one of a kind outfit for a dress-up event. Either way, our collection of ghost costumes for the adult crowd are sure to frighten even the stoniest of individuals — including ghostly white rags and spooky veils and hats. If the ghost costumes are for the younger crowd, we have scary and “not so frightening” costumes for them, as well.

We also offer a lot of add-ons to go with these ghost Halloween costumes. After all, it is not as fun to wear ghost costumes if you do not have all of the accessories to go with it. We give you the option of adding matching shoes, wigs, and make-up for either gender and for all ages. If you are going to wear one of these ghost Halloween costumes, you are going to want the coordinating white make-up to paint your skin to look as eerie as possible.

Perhaps you are interested in going with more of a mainstream look and do not feel like dressing up as a ghost, then consider one of our Ghostbusters™ costumes from the hit movie. These distinctive ghost costumes come with the Ghostbusters™ emblem and matching backpack for both men and women. You are sure to be the hit of the party in one of these unique ghost Halloween costumes and if you have always dreamed of being a ghost hunter, then this is your chance to answer the cry for help, “Who Ya Gonna Call?”

With our wide selection of ghost costumes for men, women, boys and girls, you are certain to find one that works perfectly for whoever will be wearing it. Our ghost Halloween costumes give you the chance to be as unique and creative as you want to be with endless possibilities to suit your personality. Pick up one of these ghost costumes today and put the “scare” back into the Halloween season.
